LITTLE LIST OF DRINKS

AUTUMN

2025

It's great to have you with us at Opheem. To begin your time with us, we will begin with a comfortable opening within our specially designed lounge to enjoy a few comforts before the core of your meal with us.

You will enjoy a selection of snacks from our kitchen and we offer a variety of drinks we think make for the perfect way to start a meal; whether from our selection of champagne or sparkling wine from unique producers some of which are hard to find, a carefully crafted mixed drinks or non-alcoholic drink to introduce the same quality and depth of flavour as our dishes or a glass of wine from our superb sommelier team.

Just relax, and enjoy yourself. There's a lot of food coming your way and we're in no rush.
